**SALA M. CRISTINA
Complesso Monumentale
S. Chiara
Napoli**

**UNIVERSITÀ DEGLI STUDI
DELLA CAMPANIA
LUIGI VANVITELLI**

08:30	Welcome and Introduction <i>G. Dialetto – A. Della Corte</i>
SECTION 1: Chairmen: <i>P. Calabrò - G. Iannelli</i> ESTABLISHED and CONTROVERSIAL TOPICS in THORACIC AORTIC DISEASE Treatment and outcomes of aortic dissection and aneurysms	
08:45	The fate of the distal aorta after treatment of type A aortic dissection <i>L.S. De Santo</i>
09:00	“Complete treatment” of type A acute aortic dissection <i>S. Iesu</i>
09:15	Follow-up of type B acute aortic dissection treated by endograft <i>G. Dialetto</i>
09:30	Discussion: <i>B. Di Benedetto</i>
09:45	Surgical treatment and follow-up of type B acute aortic dissection <i>M. Schepens</i>
10:00	Outcomes of frozen versus conventional elephant trunk technique <i>R. Di Bartolomeo</i>
10:15	Total endovascular repair of the aortic arch <i>B. Rylski</i>
10:30	Discussion: <i>C. Amarelli</i>
10:45 -	BREAK
11:00	Honored Lecture: Open repair techniques for the aortic arch are still superior <i>J. Bachet</i>
11:30	Greetings from the Authorities Prof G. Paolisso (<i>Magnifico Rettore Università degli Studi della Campania "L. Vanvitelli</i>) Dott. A. Giordano (<i>Commisario Strordinario A.O.R.N Ospedali dei Colli</i>) Prof. G. Nappi (<i>Cardiochirurgo</i>)

ACUTE AORTIC SYNDROMES 1: Chairmen: <i>M. Scardone - C. Mauro</i> NOMENCLATURE AND ITS RELEVANCE TO TREATMENT	
11:45	TEM: new aortic dissection classification <i>B. Rylski</i>
12:00	Intramural hematoma and penetrating aortic ulcer: CT scan imaging <i>T. Valente</i>

12:15	Intramural hematoma and retrograde type A dissection: echocardiography <i>S. Manduca</i>
12:30	Retrograde type A: EVG of the original type B or proximal surgery first? <i>K. Tsagakis</i>
12:45	Discussion: <i>A. Rubino - L. Ascione</i>
13:00	LUNCH
14:00	Honored Lecture: Hybrid approaches in surgery for acute aortic dissection <i>J. Bavaria</i>

ACUTE AORTIC SYNDROMES 2: RARE AND TOUGH CASES Chairmen: <i>M. De Feo, E. Coscioni</i>	
14:30	Tough diagnoses and misdiagnoses in acute aortic syndromes <i>A. Caruso</i>
14:45	Diagnosis and medical management of infections of the aorta <i>E. Durante - Mangoni</i>
15:00	Discussion: <i>G. Accarino</i>
15:15	Type A and type B intramural hematoma: what is the best treatment? <i>D. Pacini</i>
15:30	Aortic Isthmus aneurysm following decoarctation <i>G. Oppido</i>
15:45	Dealing with the extreme expressions of aortic disease <i>C. De Vincentiis</i>
16:00	Discussion: <i>E. Pilato</i>
16:15	Adjournment

SECTION 2: Chairmen: <i>M. Rinaldi, V. Monda</i> A GLIMPSE into the FUTURE of ENDOVASCULAR SURGERY Transcatheter treatments other than aortic	
09:00	Mitral valve treatment by transapical neo-chordae implant <i>S. Salizzoni</i>
09:15	Mitral valve transcatheter replacement <i>C. Quarto</i>
09:30	Discussion: <i>T. Attisano</i>

SECTION 3: Chairmen: <i>E. Bossone, F. Tritto</i> UPDATE ON VALVULO-AORTIC DISEASE Bicuspid aortic valve in 2019	
09:45	Bicuspid aortic valve and sport activity <i>G. Limongelli</i>
10:00	Bicuspid aortopathy: which technique for which patient? <i>R. De Paulis</i>
10:15	Circulating biomarkers in bicuspid aortopathy <i>A. Della Corte</i>
10:30	What's new in basic research on BAV? <i>E. Girdauskas</i>
10:45	Discussion: <i>S. Severino</i>
11:00	BREAK
CLINICAL COURSE AND TREATMENT INDICATIONS OF AORTIC VALVE STENOSIS Chairmen: <i>P. Caso, E. Pilato</i>	
11:15	The asymptomatic patient over 75 years old with severe AS <i>F. Antonini Canterin</i>
11:30	Intermediate risk AS patient: surgery versus TAVI in the real world <i>G. Gerosa</i>
11:45	Role of echocardiography in TAVI procedures <i>F. Covino</i>
12:00	Discussion: <i>A. De Bellis</i>

TAVI: THE DEVIL IN THE DETAILS Chairmen: <i>B. Tuccillo, G. Esposito</i>	
12:15	Management of coronary lesions in TAVI patients <i>F. Arenga</i>
12:30	Which TAVI for which patient: self-expandable vs balloon-expandable
12:45	Though cases in TAVI <i>M. Cassese</i>
13:00	Is durability of transcatheter valves comparable to surgical bioprostheses?
13:15	Discussion: <i>M.T. Librera</i>
13:30	Closure
